Dear Business Owner/Manager,

The **Grundy County Chamber** and **Channahon Minooka Chamber of Commerce** are gearing up for **Family Fest 2021**, a family-centered business expo showcasing the programs, products and services available throughout the area. Although the time of year and location have changed due to COVID-19, the purpose of the event continues to be to promote our businesses. It provides local businesses the opportunity to connect with residents, engage potential customers and leverage their business all while celebrating the community. The event is presented free of charge thanks to our sponsors, and attracts families from in and around Grundy County. We invite you to get in on the fun while promoting your business.

Included with this letter are the various ways your company can be involved, however, if you have thought of a creative way to assist that is not listed, please feel free to contact us. **We want to be sure this is a fun, interactive event for all involved.**

We will also need volunteers to assist in set up, tear-down and everything in between – if you would like to get a group together, we would appreciate it! If you have any questions or need additional information, please contact us at the Chamber. We appreciate your consideration of this request.

Sincerely,

Christine Mendez
