GCLA is a premier professional development program designed to cultivate informed, connected, and engaged leaders within our business and civic community.

Through a structured series of interactive sessions, participants gain firsthand insight into the key sectors that shape our region.

GCLA brings together emerging and established professionals who are committed to personal growth, community involvement, and long-term regional success. Participants strengthen leadership skills, expand their networks, and develop a deeper understanding of the opportunities and challenges facing Grundy County.

The Chamber's Leadership Accelerator prepares participants to take on meaningful leadership roles in their organizations and community—now and in the future.

- ◆ \$550 members
- ◆ \$1,000 non-members
